Preface

The 32nd annual meeting of the Business History Conference took place on 13-15 March 1986 in Columbus, Ohio thanks to the sponsorship of the Ohio State University, the Ohio Historical Society, Nationwide Insurance, Honda of America Manufacturing, and Houghton Mifflin. Local arrangements were managed by William Childs, Amos Loveday, and Austin Kerr.

The program for these meetings was put together by Glenn Porter, our President-Elect, while William Becker organized the dissertation session. Our President, Morton Rothstein, delivered the Presidential Address.

Business and Economic History is now in its twelfth year of publication through the Bureau of Economic and Business Research of the College of Commerce and Business Administration at the University of Illinois. We are grateful for the continued use of their facilities and technical editing, and for the support of the College and Robert W. Resek, Director of the Bureau, that makes publication possible. Janet Fitch provided technical editing and Alice Waldoff designed the cover, which was first used in 1981.
