THAI CUISINE

Menu

For the busy, tight schedule of our surrounding business and professional customers Sukhothai Foods are prepared in advance, fast frozen in dishwasher safe, re-usable containers and brought to the restaurant the next morning so that customers may have their lunch within minutes at the restaurant, take back to the office or home for dinner.

Please note Sukhothai Foods has almost 100 menu items and this menu will be under revision for a few weeks and from time to time as we introduce new items, and match items and containers for best results and flavor retention.
